LIGHTING : CHANDELIERS

*Arte Veneziana*

**LC400 CHANDELIER**

**\$31,290**

## DESCRIPTION

This imposing two-tier chandelier is entirely made in mouth-blown Murano glass in crystal color. Its forty lights rest four at-a-time on metal bases with an antique-copper finish and mountings in metal with a nickel finish. The lights are individually shielded by delicate glass petals for a final dynamic effect where a vertical tension gives lightness to the whole piece.
