## LE CERAMICHE BUMMOLO BABY PITCHER

\$120

### DESCRIPTION

This small pitcher handcrafted from fine ceramic following artisan techniques from Ortigia, Sicily will imprint a joyful and vibrant character to any table setting. Its distinctive trait is the special thermal function it serves, thanks to a chemical reaction that allows liquids contained within to be kept cool. Part of the CerAmiche Collection - portmanteau of the Italian words for ceramics and female friends - it depicts a woman's stylized head rendered in vivid enamels. Dishwasher safe.
