LE CERAMICHE KIT CAFFÈ SET OF 2 COFFEE CUPS AND SUGAR BOWL

\$220

DESCRIPTION

Having an espresso cup will gain an entirely new artistic feel with this artful set of two cups and a coordinated sugar bowl. Handcrafted of ceramic, glazed, and deftly hand-painted in vibrant enamels, they are distinguished by anthropomorphic decorations depicting blue dots among one of the female faces from the CerAmiche Collection - an Italian word spun between ceramic and female friends. Dishwasher safe, it is a one-of-a-kind piece with unrepeatabe traits.
