## LE CERAMICHE TARTARUGA PORTAFORTUNA SET OF 3 TURTLE STATUETTES #2

\$135

### DESCRIPTION

Zoomorphic, hand-painted decorations rendered with vibrant enamels make this set of three turtle-shaped ceramic statuettes a stunning solution to complement dull, contemporary decors. Handcrafted on the lathe following traditional techniques from Ortigia, Sicily, their shape aims to celebrate the values of longevity and resilience associated with turtles. Each piece features unrepeatable details and is dishwasher safe.
