LE FEMMINEDDE SET OF 2 ESPRESSO CUPS AND TEASPOONS

\$315

DESCRIPTION

Named after the Sicilian word meaning "little women" due to the stylized anthropomorphic decoration painted on the teapoons, this set of two espresso cups and spoons results from a meticulous handcrafting process reflection of a fresh approach to pottery. The cups' exterior is glazed in polished red, while the interior is in beige, with both sides accented with random black speckles.
