Geminiano Cozzi Venezia 1765

LE LOZE DEI BEI PALASSI RECTANGULAR RED TRAY

\$225

DESCRIPTION

Paying homage to the timeless, singular architecture that distinguishes the loggias of 17th-century Venetian palaces, this tray showcases an extraordinary hand-executed decoration of strong geometric value. Rendered in an elegant burgundy tone that finely juxtaposes the white hue of the fine bone china surface, it will imbue a dining table with an impeccable charm.
