LE PRATOLINE ROSA PLATE

\$70

DESCRIPTION

Embodying classic style with a modern flair, this refined plate combines a delicate floral design in soft pink and green hues with a frame with a yellow and pink rim. Entirely hand painted over fine white porcelain, the center features a bunch of *Bellis perennis* rendered with exquisite watercolor effect. Adding a sophisticated touch to any table setting, this plate is available in a numbered series of five pieces and is part of a set that includes also a soup and a dessert plate. It is possible to add trays, tureen, and other tableware serving pieces upon request.
