Impagliando

LE ROSSETTE SMALL BRASS POUF

\$550

DESCRIPTION

Redefining traditional straw weaving techniques and experimenting with innovative materials, Impagliando Design creates unique designs of incomparable craftsmanship. Part of the Le Rossette Collection of poufs and potholders, this pouf has a black-powder-coated iron structure with four slanted legs and a ring-foot holder. The splendid woven top is twisted by hand directly onto the frame in glossy black PVC warp and brass polypropylene technical rope. Available in three sizes and suitable for both indoors and outdoors, contact the Concierge for customization options.
