LEATHER ARMCHAIR

\$7,380

DESCRIPTION

Clean lines and luxurious details are the hallmarks of this superb armchair designed to take center stage in any decor. The minimalist profile is enhanced by the square wooden frame accented with dark horn details on the front corners of the armrests and the comfortable cushions filled with goose feathers. The visual and textural contrast of the ivory full grain leather upholstery and the black lacquered wood gives this armchair a sophisticated flair that will enrich any private study or living room decor.
