LEATHER GARMENT BAG IN BROWN

\$560

DESCRIPTION

This handmade leather garment bag can be customized with personal initials or logo for a luxurious experience while transporting and protecting important fashion pieces. The high quality natural woven fabric of the interior and the natural leather which covers the exterior are both very durable. This folding piece can be transported easily thanks to two soft leather handles and a wide zipper that secures all items. The top and bottom lock with a metal rivet and the internal hanger can be removed for hanging.
