## LEATHER OFFICE DESK TOP SET

\$1,990

### DESCRIPTION

This exquisite desk top set is perfect for the office or a study in the comfort of the home. This set comes complete with a soft desk mat covered in natural tanned Tuscan split suede with a vegetable-tanned Tuscan calfskin bottom, a card holder with a wenge wood core with the same leather exterior and suede interior, a wenge wood pen holder with the same leather for the base and the suede for its exterior and interior, a portable notepad with leather holder, and finally a letter opener with a leather cover and suede handle. This set will elevate any office environment.
