LEAVES EARRINGS

\$490

DESCRIPTION

Bold and sophisticated, these earrings will add a touch of sophisticated yet understated elegance to any outfit. The central charm boasts an overlapping leaf-shaped design in gilded and white-gilded bronze, the contrast creating textural and visual harmony. Flanking the charm are accent beads fashioned of rock crystals, grey smoky quartz, fluorite in small cylinders, gilded beads, and white-gold finished washers for a lavish touch. Earrings use a traditional French hook wire and are 12 cm in length. Available also in gold and with a ribbed or sandblasted finish, please contact the Concierge.
