**LEBANON 5 SOUP PLATE**

**\$95**

## DESCRIPTION

Part of the Lebanon collection, this soup plate was crafted of porcelain and boasts a delicate decoration in white and dark green that reproduces the symmetric structure of a traditional Middle Eastern building. An inner rim continues this elegant design in sepia tones and both rims are framed with refined gold bands. A stunning addition to any occasion, this is one of six designs and can be mixed and matched with the others for a dynamic effect.
