### LEBANON 6 DINNER PLATE AND SOUP PLATE

\$190

#### DESCRIPTION

This superb set of two plates in porcelain comprises a dinner plate (Ø 28 cm and H 2 cm) and a soup plate (Ø 28 cm and H 3 cm). It is part of the Lebanon collection that depicts six different vintage landscapes of the area in retro-chic sepia tones, combining them with blueprints of domed buildings sketched in white over dark green. The warm colors and exquisite depiction of natural and architectural splendors will enliven any decor, enriching a special occasion with elegant charm. In this case, the central decoration dinner plate reproduces a lively scene with a city in the background.
