LEBANON 6 DINNER PLATE

\$110

DESCRIPTION

This exquisite dinner plate was crafted of porcelain and is part of the Lebanon collection. The central area of this fine piece is adorned with a vintage reproduction of a lively outdoor scene with a busy street that leads to a stunning city depicted in the background. The delicate sepia tones add charm to this decoration that continues through the gold band and is painted in green tones. The large rim of the plate is adorned with symmetric blueprints of traditional domed buildings rendered in white on a dark green background.
