LEBANON SET OF 6 DINNER PLATES

\$590

DESCRIPTION

A striking collection of six designs that will enrich both a classic and a modern home with the unique combination of vintage images and strikingly warm colors, this set comprises the six porcelain dinner plates of the Lebanon collection. In them, a different landscape depicts the local coasts, ruins, and architecture in sepia colors, with a sophisticated rim decoration that showcases blueprints of traditional buildings. The effect is mesmerizing and elegant, topped with gold bands to frame the various area of each piece. This set can be combined with the Lebanon Set of 6 Soup Plates.
