Scandola Marmi

LEGO TWO-MOUTH BLACK VASE

\$160

DESCRIPTION

This striking, minimalist vase, part of the Lego collection, is exquisitely made in black Marquina marble. Inspired by the popular blocks for kids, this piece is an innovative way of displaying flower compositions, thanks to its simple silhouette featuring two holes. Either alone or combined with other pieces from the same collection for a more dynamic effect, this vase will be a unique addition to any room.
