LEGS TABLE IN CALCATTA MARBLE BY PAOLO RIZZATO

\$27,120

DESCRIPTION

This exquisite dining table will make an elegant statement in a contemporary or classic dining room, thanks to its timeless design, inspired by the harmonious proportions of classical architecture, and the precious materials used to craft it. Six column-shaped brass legs support the generous-sized top in Carrara marble, over which a second top in clear glass is positioned to create a dynamic and unique silhouette that will make a sophisticated statement.
