LEHMAN LAPTOP CASE 13"

\$170

DESCRIPTION

Characterized by a diagonal zipper that separates the high-tech fabric of the top with the leather insert at the bottom, the exterior of this laptop case is elegant enough to make a statement in any business occasion. The front pocket is ideal for a battery charger, USB, or keys, while inside the space is spacious enough for a 13" laptop. The metal hardware, including the YKK zippers, and the stripped, cotton-fabric lined interior add delicate finishing touches.
