LEO SIDE TABLE

\$5,100

DESCRIPTION

Pure design and prized materials combine in this superb side table that will enliven any corner of a modern home with its bold architectural flair. Mounted on three cylindrical legs, the demi-lune top of polished travertine is supported by a square waterfall panel of gray Bardiglio marble, in a combination of white, grey, and beige shades that complement the gold mirror finish of the metal legs. Available in other marble combinations on request, each table is signed and numbered, boasting unique veining and color variations that add to the uniqueness of each piece.
