## LES FLEURS DE LA MER BLUE SCULPTURE

\$600

### DESCRIPTION

This stunning sculpture will be a magnificent addition to any decor. It can be displayed on a bookcase or entryway console or as a unique centerpiece to decorate a dining table on special occasions. It is part of Les Fleurs de la Mer Collection and evokes the contours of sea urchin, a flower that lives under the sea. The spherical body is covered in needles that were attached one by one with masterful precision by experienced craftsmen using "maiolica a lustro" (lusterware). Also available with gold or ruby finishes, please contact the Concierge.
