## LES FLEURS DE LA MER RED SCULPTURE

\$410

### DESCRIPTION

Part of Les Fleurs de la Mer Collection, this flower of the sea or sea urchin is a stunning decorative sculpture that will look captivating on a living room bookcase, study desk, or entryway console. The spherical body is adorned with a series of needles attached one-by-one by master ceramists. The red color evokes the iconic shade of coral. This piece is available also in gold of ruby finishes, please ask the Concierge for details.
