## LESCOT TABLE LAMP N.2

\$3,705

### DESCRIPTION

Sculptural and sophisticated, this table lamp will be eye-catching in both a modern or classic interior, thanks to its well-balanced combination of volumes, materials, and finishes. The structure is in metal with a bronzed finish and is adorned with borosilicate glass elements featuring the same bronze finish (also available in chrome). The tall shade is in white fabric and measures 30 x 45 cm. The bulb is an E27 max 60W with a 220V (please contact the Concierge if you require a different voltage). This piece comes with a CE certification. Contract and commercial certifications available upon request.
