LESSIA LIGHT BLUE CUSHION BY MARIANTONIA URRU

\$430

DESCRIPTION

Effortlessly adorning a mid-century sofa or armchair, this exquisite cushion is a stunning design by Mariantonia Urru for the Lessia Collection. Showcasing a classic square shape, it is enhanced with modern geometric lines in light blue and brown, juxtaposed to a delicate beige backdrop. This piece is skillfully handwoven from 80% wool and 20% cotton following the traditional Sardinian pibiones technique that reveals three-dimensional geometric motifs.
