LEVANTE BRASS AND BLACK MARQUINA MARBLE ROUND SCONCE

\$1,980

DESCRIPTION

Part of the signature Levante Collection, this impressive wall sconce is fashioned of prized black Marquina marble and elegant polished brass. It features two half disks of these stunning materials which may be rotated 30° on the central sconce arm to create incredible lighting effects, accentuating the spectacular natural white veining on the black marble. This piece will make a dazzling impact on any wall space, whether alone or with similar elements from the same collection.
