LEVANTE GREEN SOFA

\$14,140

### DESCRIPTION

Exuding a retro-chic profile, this sofa is a combination of elegance and comfort. It boasts a poplar structure equipped with an elastic belt spring system, that is padded with thermo-bonded fiber and flexible jersey fabric. The two-seat and back cushions (decorative cushions are not included) are filled with 100% European goose feathers, and multi-density and highly-resistant polyurethane and memory foam. This piece is entirely covered with a removable vivid green fabric upholstery.
