\$1,160

## DESCRIPTION

The slender, graceful, and smooth-coated profile of a greyhound ("levriero" in Italian) is painted by hand on this elegant cushion, captured with every nuanced detail in a stunning gray palette on a gray background. Fashioned of cashmere, this cushion will be an eye-catching addition to a sofa or bench, in both traditional and modern interiors, and is further detailed with a refined tone-on-tone hemstitching. This cushion of the Ritratti Collection can be personalized with an image of the customer's choice. Size and colors can also be customized upon request.
