LIANE FOLDING TABLE 2

\$1,440

DESCRIPTION

This stunning folding table is part of the Liane collection of three different and bold designs that can be used alone or combined in a playful puzzle. Entirely crafted of full natural wood, this piece features a simple silhouette in which tapered legs support the gentle curves of the top. This piece can be used either outdoors or indoors and is light enough to be easily transportable in any room in the house. The folding mechanism is straightforward and safe.
