LIBERTY CHAIR WITH ARMRESTS

\$1,350

DESCRIPTION

Defined by geometric lines, this chair combines comfort and elegance in a simple design of great impact and versatility. The ash wood frame features black open-pore legs and an embracing seat with squared back and armrests upholstered in fabric with a modern dark and light gray pied de poule pattern. The Liberty chair is available also with a high back, without armrests, and in the stool version upon request, please contact the Concierge for options.
