LIBERTY FIORE PIN

\$250

DESCRIPTION

Directly inspired by Art Nouveau, this pin boasts the soft curves, delicate allure, and decorative accents of this style ("Liberty" in Italian). Evoking the charm of a garden, this pin boasts a sinuous structure with curls in nickel-free metal with a gold finish. The ethereal petals of a flower in pink enamel open up to reveal a center in imitation pearls. This romantic jewel will enliven an elegant lapel or scarf on any occasion.
