LIDIA GOLD MIRROR

\$1,610

DESCRIPTION

The dark red of the lacquer gracing the reclaimed wood of this mirror was hand applied and is adorned with the addition of four buttons finished in pure gold leaf that accent each of the four corners of the piece. The inner edge is deeper than the rest of the silhouette, creating interesting shades over the object to be framed, which can also be a painting or a print (with the use of a 4 cm mount). Precious materials and traditional crafting methods make this a superb one-of-a-kind object that will make a statement anywhere in the house.
