LIFT MEDIA STAND

\$6,805

DESCRIPTION

Resting on a satin-finished steel base, this elegant media stand features two sliding doors, one in solid ash with a front panel boasting a grove surface and one clad in eco-leather. Internally, 8mm-thick crystal shelves with chamfered and polished edges provide a display surface. The side panels and supporting structures are made of lacquered blockboard to provide strength. A side panel is covered in eco-leather with steel inserts. The steel base is also in cut-out steel with a satin finish. Colors and finishes can be changed, please ask the Concierge for options.
