CTS Salotti

LIGHT BLUE CUSHION

\$260

DESCRIPTION

Casual yet refined, this throw cushion features a pale blue fabric (1520/142 cat. Extralux) with matching piping along the border. The neat tailoring lends a clean look to the cushion's casual style, whose front is decorated with hand-stitched lines that visually separate the square into four sections. Arranged with other cushions from the same collection, it will bring a subtle touch of color on a living room sofa or armchair, infusing modern flair to a traditionally styled interior.
