Gloria Forti

LIGHT BREEZE N. 1 DECORATIVE PANEL

\$2,265

DESCRIPTION

A sublime realistic quality marks this fine artwork signed by artist Gloria Forti, almost allowing to smell the sea breeze rippling the sea. Coming unframed, it is comprised of a framework onto which are assembled multiple pieces of paper and cloth, painted with acrylics in a relaxing palette of blue. The addition of embroideries in white cotton thread reproduces the effect of seafoam and elevates its textural appeal.
