LILY POUF

\$2,350

DESCRIPTION

Striking a balance between aesthetic and functionality, this exceptional pouf from the Giardino Botanico Collection will be a statement piece in a modern living room, vanity, or bedroom decor. The pouf is crafted of wood covered in a white upholstery, which complements the golden backrest shaped in a graceful lily in bloom. The backrest is connected to a satin-finish brass base, providing comfort, stability, and a dramatic visual and textural contrast. Upholstery and metal finish (satin or polished) customizable. Suitable for indoor use, the outdoor version is available upon request.
