LIMBO RING WITH DOLPHIN

\$950

## DESCRIPTION

A wearable work of art, this bold ring exudes sculptural charm. Deftly fashioned of 925 silver with a coiled surface texture, this ring boasts a bold, oval-shaped crown with a dynamic array of stones and nature-inspired accents. The delicate band flares as it nears the base of the crown, revealing a silver dolphin accent embedded in a sea of amethyst, ruby, and emerald stones. This ring will catch and reflect the light in infinite ways, making it a timeless piece. It is also available in gold, price upon request.
