LINGOTTO GOLD CHAIR BY GARILAB BY PITER PERBELLINI

\$2,050

DESCRIPTION

Characterized by a charming and contemporary aesthetics, this chair is inspired by the texture of a gold ingot ("lingotto" in Italian) whose lustrous shine is enhanced by the facets on the square frame. The entire structure - seat, tall back and tapered legs - is shaped from a single sheet of aluminum, an eco-friendly material that is 100% recyclable. This chair will give personality to any room, bringing a glamorous touch to a modern or mid-century dining table, side table, office desk or bedroom vanity.
