LION CORKSCREW

\$105

## DESCRIPTION

This striking corkscrew is a wonderful addition to any home, thanks to its exquisite craftsmanship and the unique addition of an handle in the shape of a lion head, depicted in all its vivid detail and made of acetate with a finish that imitates wood. The metal parts are in brass with a golden finish, whose warm hues complement the rich brown of the beechwood at the bottom of the piece. Bold and elegant at the same time, this object of functional decor will make a statement on any table.
