LIPARI VASE

\$1,670

DESCRIPTION

This striking vase rests on an exquisite bronze base with a satin gold finish. The body is in polished crystal with an amber color and depicts a zantedeschia, a flower known since Greek mythology and celebrated in poetry and painting. Its slender shape and elegant appearance makes it the flower of elegance and versatility. This vase will be a perfect addition to a classic decor, either in the living room or entryway where its warm glow will add a note of color and sophistication.
