LISE CHAIR WITH ARMRESTS

\$3,160

DESCRIPTION

This elegant chair with armrests will add charm and elegance to a modern dining room or study. Its mid-century-inspired design features a frame in solid American walnut boasting slanted back legs, and open armrests and metal feet with a satin brass finish. The padded cushions of seat and back are upholstered in leather with a sophisticated petrol blue color. This piece can be combined with the Lise Chair for a striking effect around a minimalist dining table. Contract and commercial certifications available upon request.
