SET OF 2 LIVIA LIGHT YELLOW CHAIRS BY GIÒ PONTI

\$690

DESCRIPTION

Upgrade any living room style with this modern accent chair that was originally produced in 1937 for the University of Padua. Made of solid beech with a seat in plywood, this exquisite chair features a streamlined design and is available in a wide range of colors to add a playful accent to any kind of room, around a table, in a hallway, in a living room, or bedroom, or office. With its elegant and clean style, you can create an eclectic look by mixing and matching chairs in a variety of hues. Design by Giò Ponti
