SET OF 2 LIVIA ORANGE CHAIRS BY GIÒ PONTI

\$890

DESCRIPTION

Upgrade any living room style with this modern accent chair that was originally designed by Gio Ponti in 1937 and produced to furnish the "Livianum" faculty of literature of Padua University. Made of solid beech with a seat in plywood, this exquisite chair features a streamlined design and is available in a wide range of colors to add a playful accent to any kind of room, around a table, in a hallway, in a living room, or bedroom, or office. With its elegant and clean style, you can create an eclectic look by mixing and matching chairs in a variety of hues.
