LIVIO BAR STOOL

\$570

DESCRIPTION

Stunning in its simplicity, this elegant stool is made of solid beech stained in wenge to add warmth and bring out the wood's natural beauty. Its striking silhouette features a low back, long legs that taper elegantly from top to bottom, and four intersecting support slats designed so feet can rest easily. The seat is upholstered in a rich brown faux leather. Polished and comfortable, this stool is the definition of functional design. Available with a seat 79 cm or 65 cm high.
