LOAM PLATE

\$105

DESCRIPTION

Part of the Copius series, this striking plate is inspired by the Byzantine culture and the exquisite mosaics that its art produced throughout the centuries. In this modern interpretation, the white background is covered, at the center, with a gold circle surrounded by a frame consisting in an intricate black and white design that evokes the minute handcrafted work and precision of traditional mosaic makers. A superb way to present food on the table, this dish will make a statement in any home.
