LOCUS SOLUS ORANGE CHAIR BY GAE AULENTI

\$1,115

DESCRIPTION

The perfect piece to add color and personality to a patio, garden or pool area, this chair of the Locus Solus Collection merges functional design with a unique aesthetic. Originally designed in 1964 by Italian architect Gae Aulenti and re-edited in 2016 by Exteta, the bright orange frame is composed of two steel rods, one forming front legs, armrests, and backrest in one continuous line, and the other creating the back legs. The round padded seat features a removable fabric cover printed with the exclusive Locus Solus artwork and is available also in all Exteta catalog fabric on request.
