**LOCUS SOLUS WHITE ARMCHAIR BY GAE AULENTI**

**\$3,070**

## DESCRIPTION

Recalling the classic shape of curved wooden rocking chairs, the voluptuous geometry of the steel tubular frame of this armchair convey a unique aesthetic that merges functional and stylistic elements. Designed by Italian architect Gae Aulenti in 1964 as part of the Locus Solus Collection of outdoor furniture, the white finish of the structure provides the perfect frame for the exclusive, colorful print of the fabric sling and bolsters marking the headrest and leg rest. The new editions re-introduced by Exteta in 2016 can be customized in all its catalog fabrics.
