\$615

DESCRIPTION

Reminiscent of Joan Miro's Abstract compositions, this whimsical ceramic panel is a dynamic dance of color, lines, and forms. Hand-painted and glazed for a smooth and vibrant aesthetic, this panel features 25 tiles with abstracted lettering and delicate flower motifs hand-drawn with black paints all on an ivory background. Ideally installed with minimal grouting, this panel is best showcased in a variety of any configuration in a kitchen, bathroom, powder room, or a patio with a pool.
