LONG PLAYING ÉTAGÈRE BY ALBERTO COLZANI

\$10,500

DESCRIPTION

Built with a cylindrical frame combining steel and copper, this glamorous étagère has an open design. The three columns each feature five shelves in back-painted glass, creating a reflective, two-tone look that both pleases the eye and offers plenty of storage space. Each column can independently rotate, allowing for an endlessly versatile design. This piece can be customized upon request to the Concierge.
