La Bottega di Verde Ramina

LOVE CERAMIC PAINTING

\$925

DESCRIPTION

Using a three-color palette (white, red and black) and mixed techniques, this painting on red clay embodies the passion and artisan skills that Barbara Petrelli puts into all her work. The woman's serene gaze is conveyed through the white and red gradient accents while the bold and quick black brushstrokes add a fierce quality, creating a captivating contrast that symbolizes the two opposite facets of love.
