LOVE LARGE BLUE CUSHION

\$280

DESCRIPTION

Blue in all its brilliance and depth adorns the front cover of this pillow part of the Love collection by Mark Harfield. On the cotton velvet front cover, sinuous shapes juxtapose in a delicate dance that is serene yet austere. Either on a bed with the blankets of the same series, or combined with other colorful pieces on a modern sofa or blush armchair, this will be a piece to cherish each day.
